Title of Policy: Commitment to Quality Policy

Policy

The College is committed to quality in all its educational programs and supportive services to meet or exceed learners' and other constituents' expectations. In response to this commitment, the College shall support implementation of continuous quality improvement principles and practices.

Purpose

To institutionalize the college's commitment to quality, thereby making quality foundational to college operations and is reflected in college policies and practices.

Responsibility

The table below describes responsibilities for this policy:

Group/Individual	Responsibility
Provost	Serve as the primary advocate for quality in all operations Direct and lead the College in its implementation of policies and practices that are consistent with continuous quality improvement principles and provide resources needed to support this effort.
Director of Institutional Effectiveness	Provide leadership in the College's planning, assessment and accreditation efforts in the framework of continuous quality improvement.
Continuous Improvement Team	Review the College's continuous quality improvement practices.
Dean of Academic and Co-Curricular Affairs	Provide leadership for quality strategies and actions in academic and co-curricular services; select and monitor college quality indicators and measures/metrics used by individuals and groups to monitor efficiency and effectiveness.
