

Do Not Release Form

Northwest Technical College has designated the following information as directory information. Directory information may be made public through news releases about learner activities and announcements, such as notifying your local newspaper about academic awards or the Dean’s List for academic honors.

Directory Information:

- Name
- Enrollment status (enrolled, graduated, withdrew, part/full -time)
- Program Major
- Dates of Attendance
- Honors and awards

Directory information is available to the public **unless the learner requests that this information remain private.**

If you wish to have **none** of your directory information released, please complete the form below:

*My signature below indicates my desire that Northwest Technical College treat my directory information as private data. I understand that this means that announcements of any awards, honors, including the Dean’s List, will **not** be sent to my hometown paper or released to any media.*
