

**HESI Remediation Plan
NTC Nursing Program Spring 2020**

- Review attached remediation table for HESI Score Requirements.
- Students will complete the remediation plan based on the lowest score from their exam(s).
- Students are required to submit one completed remediation plan for the Spring of 2020. Students who take multiple exams in the Spring of 2020 will submit the same remediation plan in all course where a HESI Exam is required.
- Submit this remediation plan to the corresponding D2L assignment folder(s) by **April 29th at 2359.**
- Students are required to submit screenshots of their completed EAQ's, 80% required, students should build EAQs based on areas of weakness as identified in the individual report.

Student Name	
Date	
Course (s)	
HESI Exam Name (s)/Score (s)	
Lowest Score from Exams in Spring of 2020.	
Hours of HESI online post exam remediation to be completed in the Study Packet	
Number of Adaptive Quizzes required (must achieve 80%)-	
Topics selected for Adaptive Quizzes: Select topics from your report.	
If applicable, time/date of meeting with nursing instructor	
When do you plan to complete the items in this remediation plan?	

<p>Score (s) Under 749: What changes are you going to make in your learning needs to improve your understanding in areas of weakness?</p>	
<p>Score Under 749: What lifestyle changes must be necessary to improve your study habits/time management and learning skills?</p>
