

Northwest Technical College Wireless Instructions Faculty/Staff Windows 7

Connecting to NTC wireless network requires your Directory username and password, and proper configuration of your computer. Please contact [Shane Jensen](#), Information Systems Specialist, 218.333.6651 to obtain your username and password or receive assistance in setting up wireless for you.

By connecting to NTC wireless you are agreeing to abide by the following policy:

MnSCU Acceptable Use of Computers and Information Technology Resources
<http://www.mnscu.edu/board/policy/522.html>

1. Click on the network connection icon in the system tray in the lower right side of the screen.

2. Click on **NTC** and check **Connect automatically** and click **Connect**.

3. The **Windows Security** dialog box will pop up requiring **Network Authentication**. Enter your **directory** (also referred to as MyNTC/Portal/Novell) password here and click **OK**.

4. A **Windows Security Alert** dialog box will pop up, wanting you to verify the **NTC Certificate Authority**. Click **Connect**.
