The College calendar is established to communicate to the College constituents the courses and activities that the College plans to provide. The College calendar, along with the services provided in support of these courses and activities, is subject to modification or interruption due to occurrences such as fire, flood, labor disputes, interruption of utility services, acts of God, epidemic or pandemic illnesses, civil disorder, and war. In the event of such occurrences, the College will attempt to accommodate its learners. It does not, however, guarantee that courses of instruction, extra- or co-curricular activities, or other college programs or events will be completed or rescheduled or that college services will be provided. Any refunds that may be due to eligible learners will be made in accordance with Minnesota State Colleges and Universities policy 5.12.

In the event of a long-term emergency declared by the President or Chancellor, resulting in an interruption of learning for seven or more days, credit for work completed by learners is governed by MnSCU Board Procedure 1A.10.1, Part 3, Educational Services.
