**DIN:** 3130-1-01  
**Title of Policy:** Incomplete Grades

**Policy**
The college does not encourage the assignment of “Incomplete” grades (I); however, instructors may assign grades of “Incomplete” at their discretion. Learners may ask the instructor in writing that they be assigned a grade of “Incomplete” under the following conditions:

- A request must be made in writing to the instructor no later than one week prior to the end of the semester.
- An “Incomplete” (I) grade will be granted only for emergency circumstances only at the discretion of the instructor.

To remove the Incomplete (I) grade, course requirements must be completed by the end of the next semester of regular program offerings. Any “I” not removed by that time will be changed to an “F.” Learners may not request an incomplete if they are on probation or if they have an unfinished incomplete from a previous semester.

**Purpose**
To ensure that incomplete grades are used only in emergency circumstances and that they get cleared as soon as possible in the next semester.

**Responsibility**
The table below describes responsibilities for this policy:
