Title of Policy: Campus Activities

Policy

The College believes that educational experiences of learners are enhanced by participation in co-curricular or extra-curricular campus activities. Therefore, campus organizations have been established to enhance the educational experience. Campus activities will be sponsored by the College or by campus organizations which operate under the authority of an approved charter.

Purpose

To support and enhance the educational experience by providing opportunities for learners to pursue career development opportunities and compete in regional and state competitions, based on availability and eligibility.

Responsibility

The table below describes responsibilities for this policy:

Group/Individual	Responsibility
Dean	Authorize campus organization charters. Ensure appropriate advising for organizations.
Campus Organization Advisors	Direct and lead the activities of campus organizations within the scope of their charter. Ensure appropriate membership of the organization.
