

Setting up your APA paper in Word

1. Click on insert

2. Select page #
3. Select top of page
4. Select number on left, plain number 1 (I know the number goes on the right, just trust me 😊)
5. Type title of paper ex: MAN THIS APA STUFF IS A PAIN (ALL CAPS)
6. Tab page # over to right hand side of paper
7. Check "different first page" under header design

9. Type(exactly as shown) Running head: MAN THIS APA STUFF IS A PAIN (just title in ALL CAPS)
10. Tab over, type 1 close header and footer
