

**NORTHWEST  
TECHNICAL COLLEGE  
COMMENCEMENT  
BOOKLET 2025**

The commencement booklet is organized by credential (Associate of Applied Science, Associate of Science, Diploma, & Certificate), then by major, and by student last name. Each major is housed within a college and students will be recognized by college at the ceremony.

Those students achieving [Academic Honors](#) (3.5 cumulative NTC GPA) recognition include that designation by their name.

Students' legal names are used in the booklet below, if you would like a preferred first and/or last name listed instead of your legal name, please reach out to [records@ntcmn.edu](mailto:records@ntcmn.edu)
