Leech Lake Boys and Girls Club
Position: Technology Lab Coordinator

The Boys & Girls Club is an afterschool youth development program. Our goal is to help youth become productive, caring and responsible citizens through offering them a fun place to go that is safe, where there are supportive adults, who offer lots of opportunities as well as set expectations for success and recognize youth for their achievements large or small.

If this sounds like an environment that you would like to be a part of, please read below and inquire with Lindsey Schiller (218) 335-8144. Interviews and hiring is all done on a first come first serve basis.

Job Description:

Work study position would involve planning, implementing, supervising and evaluating programs and activities. Program and activity possible examples include photography, blogging, website design, internet safety, video gaming, and more. The Club works to provide youth with opportunities and expectation for success as well as to develop a sense of belonging, usefulness, competence, and influence in every child. Students who are interested in human services, education or just like working with youth, working at the Club can be a terrific real life experience.

Requirements:

A background check is a pre-requisite for employment. Preferred skills in an applicant include: Prior technology experience or proficiency, patient, teaching skills, ability to multi-task, flexible yet firm, organized, program planning & implementation, positive, enthusiastic, and ability to positively discipline. Students would be expected to work approximately 8-12 hours a week between the hours of 2:30p.m.-7:00p.m. M-F.
