DIN 3075-1-01

Title of Policy  Academic Program Review

Policy
Northwest Technical College will review all academic programs on a regular cycle to ensure that these programs meet academic standards of learning achievement, accreditation, licensure or certification requirements and that the programs continue to contribute effectively to the mission of the college. Programs will undergo annual review of agreed-upon efficiency measures, with a comprehensive review of both viability and effectiveness at least every three years. Programs not meeting acceptable standards of viability in the annual review may be subject to more frequent comprehensive review, suspension or closure.

Purpose
To ensure quality academic programs that remain current in addressing needs of business and industry.
