Northwest Technical College invites applications for the position of:

**Heating, Ventilation and Air Conditioning Faculty**

**MSCF JOB POSTING**

**OPENING DATE:** April 17th, 2023

**CLOSING DATE:** May 16th, 2023

**APPOINTMENT DATE:** August 15, 2023

**JOB TYPE:** Fixed-Term, Part-Time (Minimum of 24 credits for the 2023-2024 Academic Year)

**POSITION LOCATION:** Northwest Technical College Campus

**SALARY:** Depends on Qualifications

**CREDAL FIELD:** Heating, Ventilation and Air Conditioning (Credential Code 500122)

NORTHWEST TECHNICAL COLLEGE (NTC) invites applicants to join our team as a **Heating, Ventilation and Air Conditioning (HVAC) faculty** member. To accomplish our mission of “preparing students for rewarding careers”, we prioritize creating a culture in which diversity is embraced and all people are safe, welcome, and validated. NTC has prepared students for fulfilling careers in high-demand fields for more than 50 years. The college’s accessible, affordable, hands-on programs also help the region’s employers meet their ever-growing need for a highly skilled workforce. NTC serves more than 1,000 students with an excellent education, an open-enrollment policy and affordable tuition. Students may pursue nearly 40 degree, diploma and certificate programs in six distinct career paths. Classes are offered on campus, online, or as a combination of both. NTC is a member of the Minnesota State system of colleges and universities.

The **HVAC faculty** member will perform technical work within a college setting, assist learners in carrying out lab assignments, and perform related work as required.

**Responsibilities of the HVAC faculty member include:**

- Teaching Heating, Ventilation and Air Conditioning related program/courses within a college setting and assist learners as needed.
- Teaching assigned courses in accordance with established curriculum and course outlines.
- Maintaining necessary attendance, scholastic and student records, and submitting records according to published guidelines.

**Minimum qualifications for this position include:**

- Education Requirement
Diploma or the completion of an apprenticeship in heating, ventilation, air conditioning and refrigeration installation and repair.

- **Occupational Experience Requirement**
  - Four full-time years (or equivalent) of verified related paid work experience in residential or commercial heating, ventilation, air conditioning and refrigeration installation and repair.

- **Recency Requirement**
  - One year of this work experience shall be within the five years immediately preceding the date of application for the credential field. The recency requirement shall be waived if the individual has two years of successful full-time (or equivalent) postsecondary teaching experience in the credential field within the last five years.

**Preferred qualifications include:**

- Experience teaching in a two-year post-secondary setting.
- Experience with a variety of software programs such as Microsoft Office Word, Excel, Access, and Outlook.
- Professional communication skills.
- A demonstrated commitment to the principles of diversity, equity, inclusion, and anti-racism.

**To facilitate proper crediting, please ensure that your application and/or resume clearly demonstrate fulfillment of the qualifications.**

**Other considerations:**

- All applicants must be able to lawfully accept employment in the United States at the time of an offer of employment.
- Official transcript(s) must be provided to Human Resources upon hire.
- Employment for this position is covered by the collective bargaining agreement for the Minnesota State College Faculty. [https://www.mscfmn.org/mscf-contracts](https://www.mscfmn.org/mscf-contracts)
- In accordance with the Minnesota State Colleges and Universities (MnSCU) Vehicle Fleet Safety Program, faculty and staff driving on college/university business, who use a rental or state vehicle, shall be required to complete a vehicle Use Agreement form and conform to MnSCU's vehicle use criteria and consent to a motor vehicle records check.
- BSU and NTC are tobacco free workplaces (see policy).

**Apply online:** [https://ntcmn.peopleadmin.com/](https://ntcmn.peopleadmin.com/)

**A complete application will include the following attachments:**

- Cover letter, which addresses the required qualifications and your specific interest in working at Northwest Technical College.
- Resume/Curriculum Vitae.

**Inquiries:**
Monty Johnson, Dean of Skilled Trades, Business & Industry  
Phone: 218-333-6611  
Email: monty.johnson@ntcmn.edu
If you have general questions about this posting or submitting an application, contact Mary Miller at mary.miller@bemidjistate.edu.

**COLLEGE / COMMUNITY:** Northwest Technical College is in Bemidji, Minnesota, in Northern Minnesota. The greater Bemidji community has a population of 25,000 and serves as a regional center for education, commerce, recreation, health care, and the arts. Bemidji State University, a partner institution, and Northwest Technical College welcome 6,000 students annually. Northwest Tech offers hands-on learning in Business, Health Care, Manufacturing, Transportation, and General Education. As a partner in Distance Minnesota, the College is engaged in innovative distance education with most of its programs offered online in addition to on campus. Northwest Technical College is a member of the Minnesota State Colleges and Universities System (Minnesota State) [https://www.minnstate.edu](https://www.minnstate.edu). To learn more about the student-centered environment at Northwest Technical College, visit [www.ntcmn.edu](http://www.ntcmn.edu).

**WHY BEMIDJI:**
In this Northwoods setting, students, staff, and faculty have a variety of activities at their fingertips. Possessing all the charm and character of a college town, Bemidji remains a tight-knit community of good neighbors and engaged citizens. While the city of Bemidji — named after the Ojibwe Chief Shaynowishkung (nicknamed Bemidji) — is home to a diverse population of more than 15,000 people, it serves a regional population of more than 100,000.

Located between three American Indian reservations – Leech Lake, Red Lake, and White Earth, students have an opportunity to experience a dynamic local culture and history. Bemidji also sits at the center of the legends of Paul Bunyan and Babe the Blue Ox. The famous statues of Paul and Babe greet students as they drive along Lake Bemidji.

Though quaint and historic, the city offers the urban conveniences upon which college students rely. Northwest Technical College is conveniently located minutes away from affordable restaurants, cozy coffee shops, grocery stores, city parks, and more. Small, locally-owned shops and art sculptures line the streets of downtown Bemidji, while national chains can be found in and around the Bemidji area, including an uptown selection of department stores and restaurants.

The thriving downtown community presents ample opportunities for engagement off-campus. Among other things, there are fine-dining restaurants, cafes, and a natural foods co-op in downtown Bemidji. The historic Paul Bunyan Playhouse has a calendar of classic shows; restaurants and lounges offer weekly live music performances; the First Friday Art Walk provides a tour of new monthly art exhibits; and annual events such as the Loop the Lake Festival, the Dragon Boat Festival, the Blue Ox Marathon, Bemidji Winterfest, and The Minnesota Finlandia bring the community together.

For those who love the outdoors, there are wooded, multi-use trail systems within minutes of campus and community parks with walking trails, playgrounds and a skate park. Lake Bemidji State Park and its miles of navigable trails is located directly across the lake from BSU, and the Buena Vista Ski Area — just 12 miles north of town — offers downhill skiing and BSU-sponsored student transportation in the winter months. Further, the Mississippi River Headwaters is a mere 45 minutes from Bemidji.
